Report of Lecture on The Laws of women's

In the year of 2013-14 NSS department organized the lecture of Adv.Dr.Asmiya Vaidya (Prin. L B T Law College for subject of "The Laws of Women")

In this lecture Dr. Vaidya told of laws available for women's protection and safety in our Constitution. But many women's do not know that They do not know how to use it? And how to apply it? if any situation had comes. And this could happen in Maharashtra not only illiterate but also literate women. If her own husband abused doing domestic violence she do not know the laws and hence cannot use them. This leads to the bitter condition of our females. Domestic violence, dowry death are increasing day by day. Women should remain silent and ask for help.

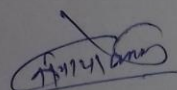

Introduction of the programme was done by NSS coordinator Prof. Smita Malve and vote of thanks offered by Sanchali Hire. Approximately, 150 students attended this lecture.
