

Celebration of Ganesh Festival in B R D Mahila Mahavidyalaya: 31/08/2022 to 04/09/2022 (05 Days)

Dept. of Cultural Activities, NSPMs Late Bindu Ramrao Deshmukh Arts, Commerce and Science Mahila Mahavidyalaya, Nashik Road celebrated Ganesh Festival in the college between 31/08/2022 to 04/09/2022 under the able guidance of Principal Dr. Leena Pandhare. Mr. Prakash Warkari coordinated the programme. **Ganesh Chaturthi**, also called **Vinayaka Chaturthi**, is a festival marking the birth of the elephant-headed deity Ganesha, the god of prosperity and wisdom. It begins on the fourth day (*chaturthi*) of the month of Bhadrapada (August–September), the sixth month of the Hindu calendar.

At the start of the festival, idols of Ganesha are placed on raised platforms in homes or in elaborately decorated outdoor tents. The worship begins with the *pranapratishta*, a ritual to invoke life in the idols, followed by *shhodashopachara*, or the 16 ways of paying tribute. Amid the chanting of Vedic hymns from religious texts like the Ganesh Upanishad, the idols are anointed with red sandalwood paste and yellow and red flowers. Ganesha is also offered coconut, jaggery, and 21 modaks (sweet dumplings), considered to be Ganesha’s favourite food. At the conclusion of the festival, the idols are carried to local rivers in huge processions accompanied by drumbeats, devotional singing, and dancing. There they are immersed, a ritual symbolizing Ganesha’s homeward journey to Mount Kailas—the abode of his parents, Shiva and Parvati.

The Ganesh Idol in the college is Eco friendly and immersed in large water tank in the college itself.

Participation of B R D Mahila Mahavidyalaya in Blood Donation Camp:

16/01/2023

A blood Donation Camp is organized by Nashik Shikshan Prasarak Mandal, Nashik every year. Donating blood is a generous thing to do. It helps people in need, and it helps people in your community. When you give, others live. Donors, especially those who donate regularly, keep our nation's blood supply stable. Although many people donate blood after disasters, blood is needed every day of the year. There is no substitute for blood. Donors provide the only supply of life-saving blood for those in need. Donating is simple, fast, and convenient. The donation process can take as little as 45 minutes of your time, but can make a lifelong difference for someone else.

During the academic year 2022-2023, Teaching and non-teaching staff actively participated in this camp and donated blood organized on 16/01/2023 in the college campus. The college takes pride in participating in such activities meant for a noble cause and encourages others to do so.
