Online Yoga Training Camp: Best Practice 1

Yoga is an ancient practice for a healthy mind and body. It is a form of exercise and meditation, which is very helpful for making our lives better. The posture and poses of yoga do not only

benefit the physical body, but also enhance the spiritual energy. The training includes asanas, pranayamas, kriyas, chanting, mantra, meditation, and other traditional yoga techniques. It also includes demonstration of asanas and their variations, classification and sequencing of yoga asanas as per traditional understanding based on Chakras, adjustments of common mistakes and hands-on techniques.

Staff Academy: Best Practice 2

Keeping in view that teachers need exposure in teaching techniques, skills and system in planning of teaching activity, this academy works for the same. The objective is to organize innovative activities for teaching, non-teaching staff and students by inviting experts to conduct lectures/ workshops on various topics to augment their knowledge and help them pursue higher academic and professional skills. 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Title: Vidhyarthini Sahayta Nidhi

The need of such contribution is more felt at level of higher studies of female students. In NSPM's Late B.R. Deshmukh Arts and Commerce Mahila Mahavidyalaya, Nashikroad majority of the admitted students who have a strong desire to study come from economically vulnerable background. As a result, some of them have to stop their education.

This was noticed by some of the teachers and they took initiative

to start a fund raising for such needy students. Then a system was made whereby the college teachers donate the money to the fund. The amount of Rs. 100 per month is automatically deducted from their salary. The information regarding the fund is published in the college prospectus every year.

In case of those students who are not able to pay fees in time for them financial support is provided. It is expected that such students, then, will return the financial assistance with in the same academic year.

The needy students apply for the financial support. Then, the scrutiny is done by the committee of the teachers. If approved, the fees regarding admission and exam etc. are given by cheque.
