

Report and Action taken on the Parents Feedback

The college has collected feedback from parents from the 2013-14 to 2017-18. Parents have suggested the following in the past five years.

- No of books for UG & PG in the library to increase.
- To renovate and increase the no of washrooms for students along with its increase in the frequency of cleaning per day.
- To have Basketball court for the students.
- To begin a consumer store for student for notebooks and stationery available in the college.
- Yoga classes for the students to improve their concentration and it may help to increase their academic performance.
- To renovate the Ladies room for the students (Furnishing)
- To install of Napkin Vending Machine.
- To install CCTV in the college campus.
- To increase time of the reading room in library to 12 hours.
