

Industrial Visit- Reliance Engineering Company

The department of Psychology organised an Industrial visit of TYBA students at Reliance Engineering, Satpur, Nashik on 31st March 2022. The objective the visit was not only academic but some of the students were also interested in working in the industry. The students were able get acquainted with the situation and the kind of work. Five students were present for the visit. The studentswereshown the actual work done in the workshop. The industryproduces small parts of capacitors and conductors required for the four-wheeler companies and the sliding window base panels. After visit to the workshop the owner of the company Shri Arun Patil, Managing Director shared his experience. He also told the students the difference in academics and actual workplace requirements and students lack the basic knowledge. He also told that the technical skills are important for development and promotion in any industry and if someone is from non-technical background he has develop and learn those skills. Shri Nilesh Patil the oner of the industry helped us in arranging the visit.
